

Building A Team: How to Earn Double the Rewards

In the Loyal-n-Save loyalty program, you can create a team and earn reward tokens whenever you make a purchase. Even when you are not shopping, if any of your team members make a purchase, this will earn you reward tokens.

You Can Earn Reward Tokens in the Following Ways:

- 01** Add Stores & Participate in Selected Store Deals
- 02** Make Everyday Purchases
- 03** Team Rewards

Make Shopping a Rewarding Experience for You and Your Team

When you sign up for the Loyal-n-Save loyalty program, you can invite your friends, family members, and colleagues to join your team. Scan your referral code in-app or send an invite to your friends using social media, text, or email. Once these people get added to your team, you and your team members will earn a percentage of reward tokens from each other's purchases.

You Can Double Your Chances of Getting Rewards by Creating a Team:

Create a Team

Create a team and earn rewards faster than any other loyalty program offered in the market. When you create a team and add members, you increase your chances of getting rewards in the form of loyalty reward tokens. Each time your team members make a purchase, you get a percentage of the reward tokens they've earned. These reward tokens would be rewarded based on the total amount of the bill at that store.

No Limit on Creating Teams

You can create as many teams as you want and sign up as many team members as possible—there is no limit at all. The more members you sign up on your team, the more chances that you will have to earn bonus reward tokens and rewards.

Get Bonus Reward Tokens

You will receive a percentage of bonus tokens based on what products your team members buy, and if your team members refer friends of their own, you will earn loyalty tokens if their friends make purchases too.

Get Passive Income

Creating a team can make you passive income. Whenever your team member makes a purchase, you will receive a notification on your mobile phone. Just sit back and relax while you get rewarded.

Earn Reward Tokens in a Faster Way

The more members you have on your team, the faster you will get loyalty reward tokens for shopping from the Swag Shop and in-store discounts. Thank your team members for making shopping a rewarding experience.

Be ready to shop, earn, and redeem with the Loyal-n-Save loyalty program and make your shopping experience a rewarding one for you and your team members.

About the Company

Loyal-n-Save forms a part of the FasTrax enterprise suite of software solutions. It is owned and operated by Darren Schwartz and Doug Nolan. It assists retailers in creating customer engagement and expanding their customer base. What makes it different from others is its unique marketing approach with its loyalty programs. It allows retailers to give customers a percentage of reward tokens for providing references of friends and family to their store.
