

Redeem Your Tokens by

Shopping for Exclusive

Merchandise from the Swag Shop

Using your hard-earned loyalty reward tokens, you can shop from the Swag Shop and get exclusive manufacturer merchandise and products. Let's talk briefly about how the Swag Shop can prove to be beneficial for loyal customers who use the Loyal-n-Save loyalty program.

Features Offered by the Swag Shop

When you sign up for the Loyal-n-Save loyalty program, you can reap huge benefits from shopping using your loyalty reward tokens. With them, you can get a chance to shop for exclusive and merchandise from all your favorite stores and manufacturers.

You can also shop for almost anything you can imagine, from unique products and services to coupons and one-of-a-kind items; plus, some of the most popular products from your favorite stores for less can be found in the Loyal-n-Save Swag Shop. You can also choose to get the item delivered to your store or pick it up in-store.

Have an idea in mind but don't have enough reward tokens to buy it? Add your selected item to your wish list and then send that wish list over to a friend; they can gift you the loyalty reward tokens you need to buy an item or they can buy the item themselves and send it over to you as a gift. Shopping for birthday presents has just become a whole lot easier with the Swap Shop. Plus, you won't ever have to worry about doing any wrapping.

Swag Shop is Open Round the Clock

It is a known fact that almost all physical storefronts have a closing time, but the Swag Shop never closes. Once you download the app and subscribe to your favorite stores, you'll have access to exclusive swag and selected products, even when the actual store is closed.

And don't worry, you can use your reward tokens like cash to buy branded merchandise, such as bags, hats, t-shirts, and other items too!

Buy Exclusive Merchandise from the Swag Shop

Looking to buy something from the Swag Shop? Follow these simple steps to start earning loyalty reward tokens that can be redeemed for online swag:

Download Loyal-n-Save App and Sign in

To access the Swag Shop, simply download and sign in to the app. If you already signed up in-store, then just download the app and create an account to begin browsing. Linking your physical loyalty card to an online profile will help us be able to track your reward tokens.

Join Stores & Participate in Deals

Scroll through the list of participating stores to find locations where you'd like to shop. Browse and shop from deals from specific store locations and find ones that you'd like to participate in.

Add Friends & Start a Team

Create teams and strategize with others to maximize your reward tokens. You can add and refer friends to your team, and the more team members you have, the more chances there are to earn reward tokens. You can also send messages and collaborate with friends and other team members using the in-app messenger.

Shop for In-store Deals

Whenever you purchase at a participating store location, you can earn reward tokens that can be spent on swag, and every time a team member makes a purchase, you'll also get a percentage of their purchase reward tokens too.

Redeem Your Loyalty Reward Tokens

You can choose to redeem your rewards in exchange for swag, cash, or coupons at any time, or spend reward tokens on exclusive swag at the online Swag Shop.

Conclusion

Loyal-n-Save allows you to earn reward tokens, build teams, and shop for unique items using the Swag Shop app. This app can help users save and give them access to exclusive deals that can only be viewed by loyalty program members. The Swag Shop app allows users to shop for the items they want, when they want, and lets them browse through hundreds of brands with just the click of a button.

About the Company

Loyal-n-Save is a part of the FasTrax enterprise suite of software solutions. It is owned and operated by Darren Schwartz and Doug Nolan. It assists retailers in creating customer engagement and expanding their overall customer base. What makes it different from others is its unique approach to marketing with loyalty programs, by allowing retailers to give customers a percentage of their reward tokens for providing references to friends and family for their store.
