

The Best Loyalty App Features to Help You Earn & Win

Earn loyalty reward tokens, coupons, and discounts every time you shop with the Loyal-n-Save app. You can download this app, sign up, and earn loyalty reward tokens for every purchase thanks to the many useful features that let teams and users enjoy loyalty reward tokens every time they shop.

Description

Features of the Loyal-n-Save App

Loyal-n-Save is one of the best loyalty programs to enroll in since it offers different ways to earn and redeem loyalty reward tokens that can be exchanged for swag and in-store credit. Let's take a minute to learn about its useful features and see what this app has to offer:

- **Team Rewards**

With Loyal-n-Save, you can easily earn loyalty reward tokens every time you shop, and with Loyal-n-Save's team building feature, you can earn reward tokens every time one of your team members shops too.

- **Create Team**

After you sign up for the Loyal-n-Save app, you can invite your friends, family, or colleagues to sign up under a team. All you have to do is scan your in-app referral code or send an invitation to your group of people via text, social media message, or email. Once you find a group of people to become part of your team, and your teammates will both earn a percentage of reward tokens from each other's purchases every time you shop.

- **Swag Shop**

You can earn loyalty reward tokens by shopping with any participating vendor or manufacturer and spend those reward tokens in our online store, the Swag Shop, which carries exclusive bands and products that are only made available to loyalty program members.

- **Features of Swag Shop**

With Swag Shop, you get the freedom to shop for exclusive merchandise from all your favorite stores and manufacturers. The Loyal-n-Save's Swag Shop has everything you need: from unique products and services to coupons and one-of-a-kind items. It even carries some of the most popular products from all your favorite stores at affordable rates.

Do you like an item but don't have enough tokens to buy it? Don't worry, just add the item to your wishlist and send it over to one of your friends; they can gift you the tokens you need to make a purchase or can even gift you the item themselves. Shopping for presents has never been easier than with Loyal-n-Save; plus, you'll never have to worry about doing any wrapping.

- **It's Open Round the Clock**

We all know that all stores have a closing time, but what's different with the Swag Shop is that it is open 24/7. Once you download the Loyal-n-Save app, just subscribe to your favorite stores to gain quick access to exclusive swag and choose products even when the store is closed! Use loyalty reward tokens like cash to shop for branded bags, t-shirts, hats, and other cool stuff!

- **Shop for Exclusive Merchandise**

Looking for exclusive merch from some of your favorite brands? Just follow these steps to find out how you can start racking up reward tokens and use them in the online Swag Shop!

- **First, You Need to Download the Loyal-n-Save App and Sign Up**

To access the Swag Shop, simply download and sign in to the app. If you already signed up in-store, then just download the app and create an account to begin browsing. Linking your physical loyalty card to an online profile will help us be able to track your reward tokens.

- **Join Stores & Deals**

Scroll through the list of participating stores to find locations where you'd like to shop. Browse and shop from deals from specific store locations and find ones that you'd like to participate in.

- **Add Friends & Start a Team**

Create teams and strategize with others to maximize your reward tokens. You can add and refer friends to your team, and the more team members you have, the more chances there are to earn reward tokens. You can also send messages and collaborate with friends and other team members using the in-app messenger.

- **Shop for In-store Deals**

Every time you purchase from a store, you earn loyalty reward tokens, and when your friends shop, you can get a certain percentage of their reward tokens. And if you want to earn more reward tokens, you can also participate in in-store deals.

- **Redeem Reward Tokens**

To redeem loyalty reward tokens, you can shop at the Swag Shop and buy exclusive merchandize from participating stores. You can also trade them in in-store for credit, gift cards, products, and other rewards.

- **Gamification**

Make shopping more enjoyable by turning it into a game. With Loyal-n-Save's gamification features, you can challenge your friends and race to see who can earn reward tokens and rewards the fastest.

- **Keep Track of Earned Loyalty Reward Tokens & Purchases**

You can track your purchases with digital receipts and view your progress compared to your friends using the Loyal-n-Save app. Further options also allow you to get updates on teammates' purchases, as well as view their reward token balances and convert reward tokens to in-store cash, plus a lot more!

- **Track You & Your Friends' Progress**

Using the Loyal-n-Save app, you can check your reward token balance, join more stores, participate in deals, and redeem your reward tokens. You can also track your friends' progress and observe what deals they're participating in. In addition to that, you can also view purchases made by your teammate, purchases that are passively earning you reward tokens.

- **Check Where You Rank on the Reward Tokens Leaderboard**

You can check your status on the virtual leaderboard using the Loyal-n-Save app. You can also compete with friends and family members to check who earned the most reward tokens and who moved up further on the leaderboard.

- **Earn Rewards**

You can share your reward token status and Swag Shop wish list with your friends and family on your social media accounts. Just share the QR code on your social media channels to add more people to your team. You can also send messages to your friends inside the Loyal-n-Save app, as well as check your ranking on the reward tokens leaderboard and compare it with your friends' other team members.

Conclusion

With the Loyal-n-Save app, users can earn loyalty reward tokens and win rewards that can be used at the Swag Shop and for in-store cash.

Install the Loyal-n-Save app to earn reward tokens every time you and your team purchases from your favorite stores.

About the Company

Loyal-n-Save is a part of the FasTrax enterprise suite of software solutions. It is owned and operated by Darren Schwartz and Doug Nolan. It assists retailers in creating customer engagement and expanding their overall customer base. What makes it different from others is its unique approach to marketing with loyalty programs, by allowing retailers to give customers a percentage of their reward tokens for providing references to friends and family for their store.
