

# How To Manage Store Interests

## Through The Loyal-n-Save App

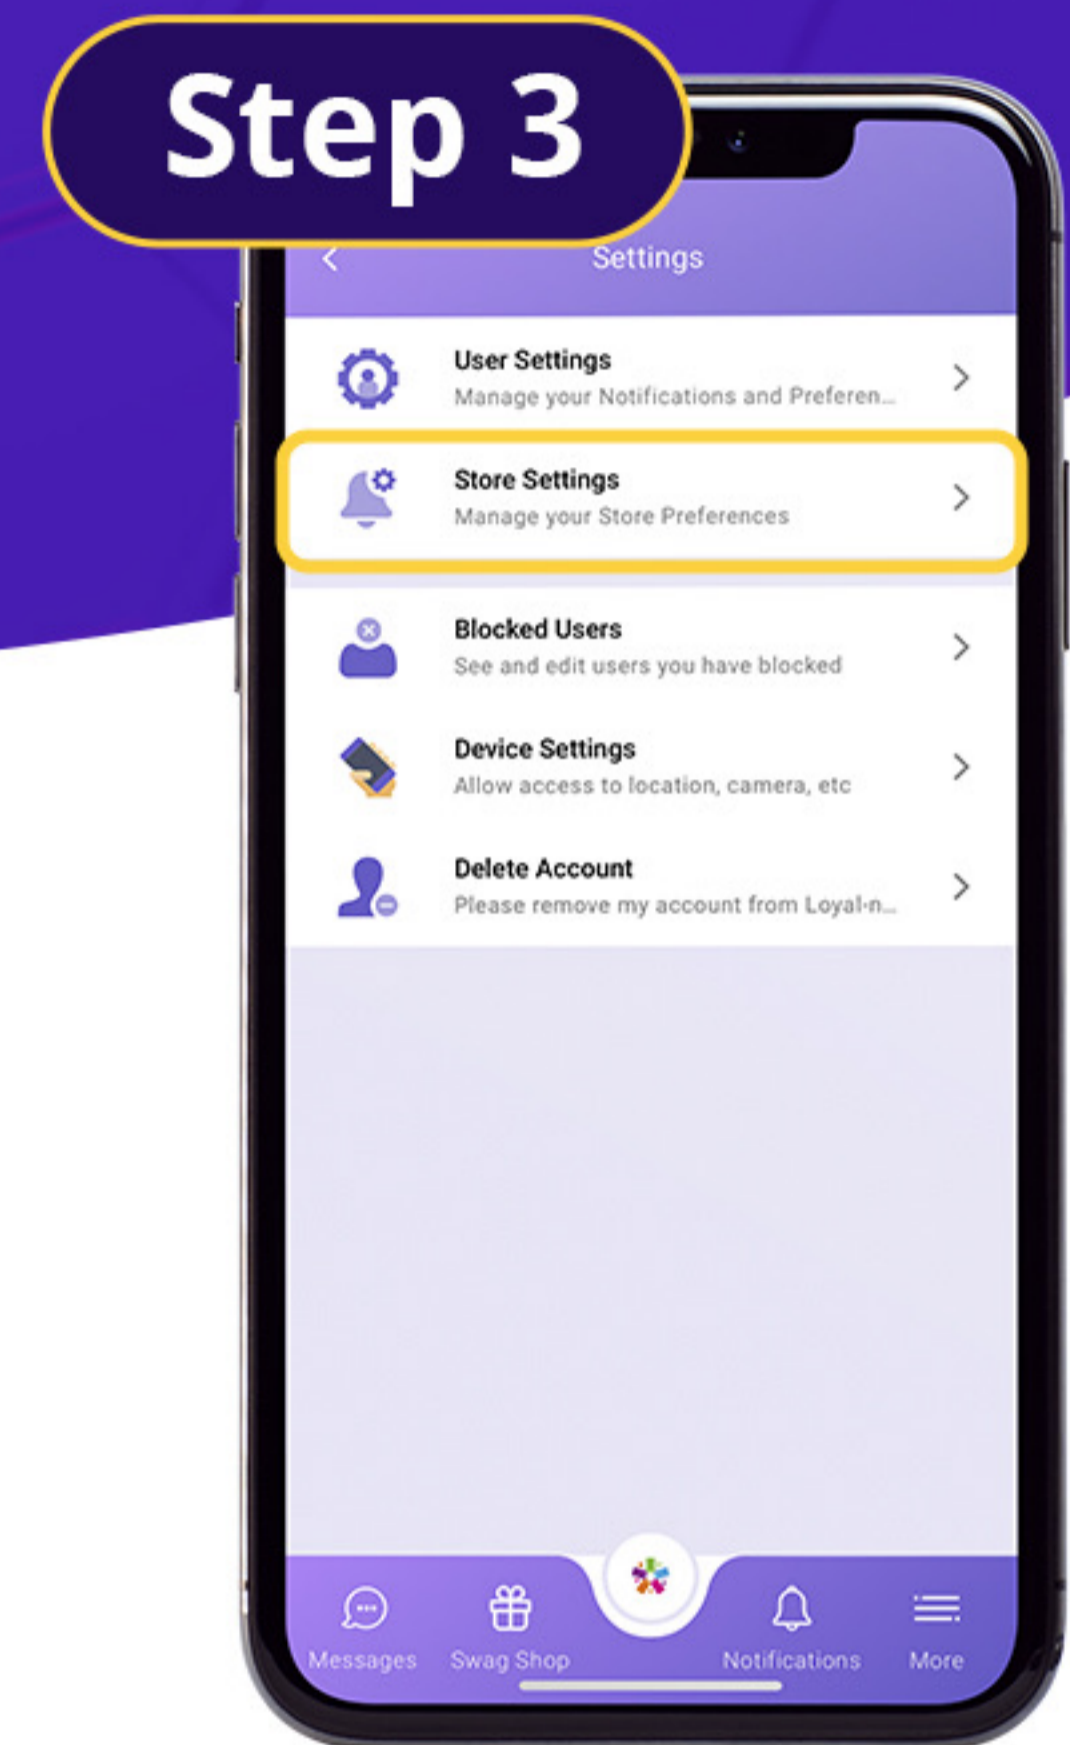

Choosing interests will help stores recommend deals and discounts based off of items you're interested in.

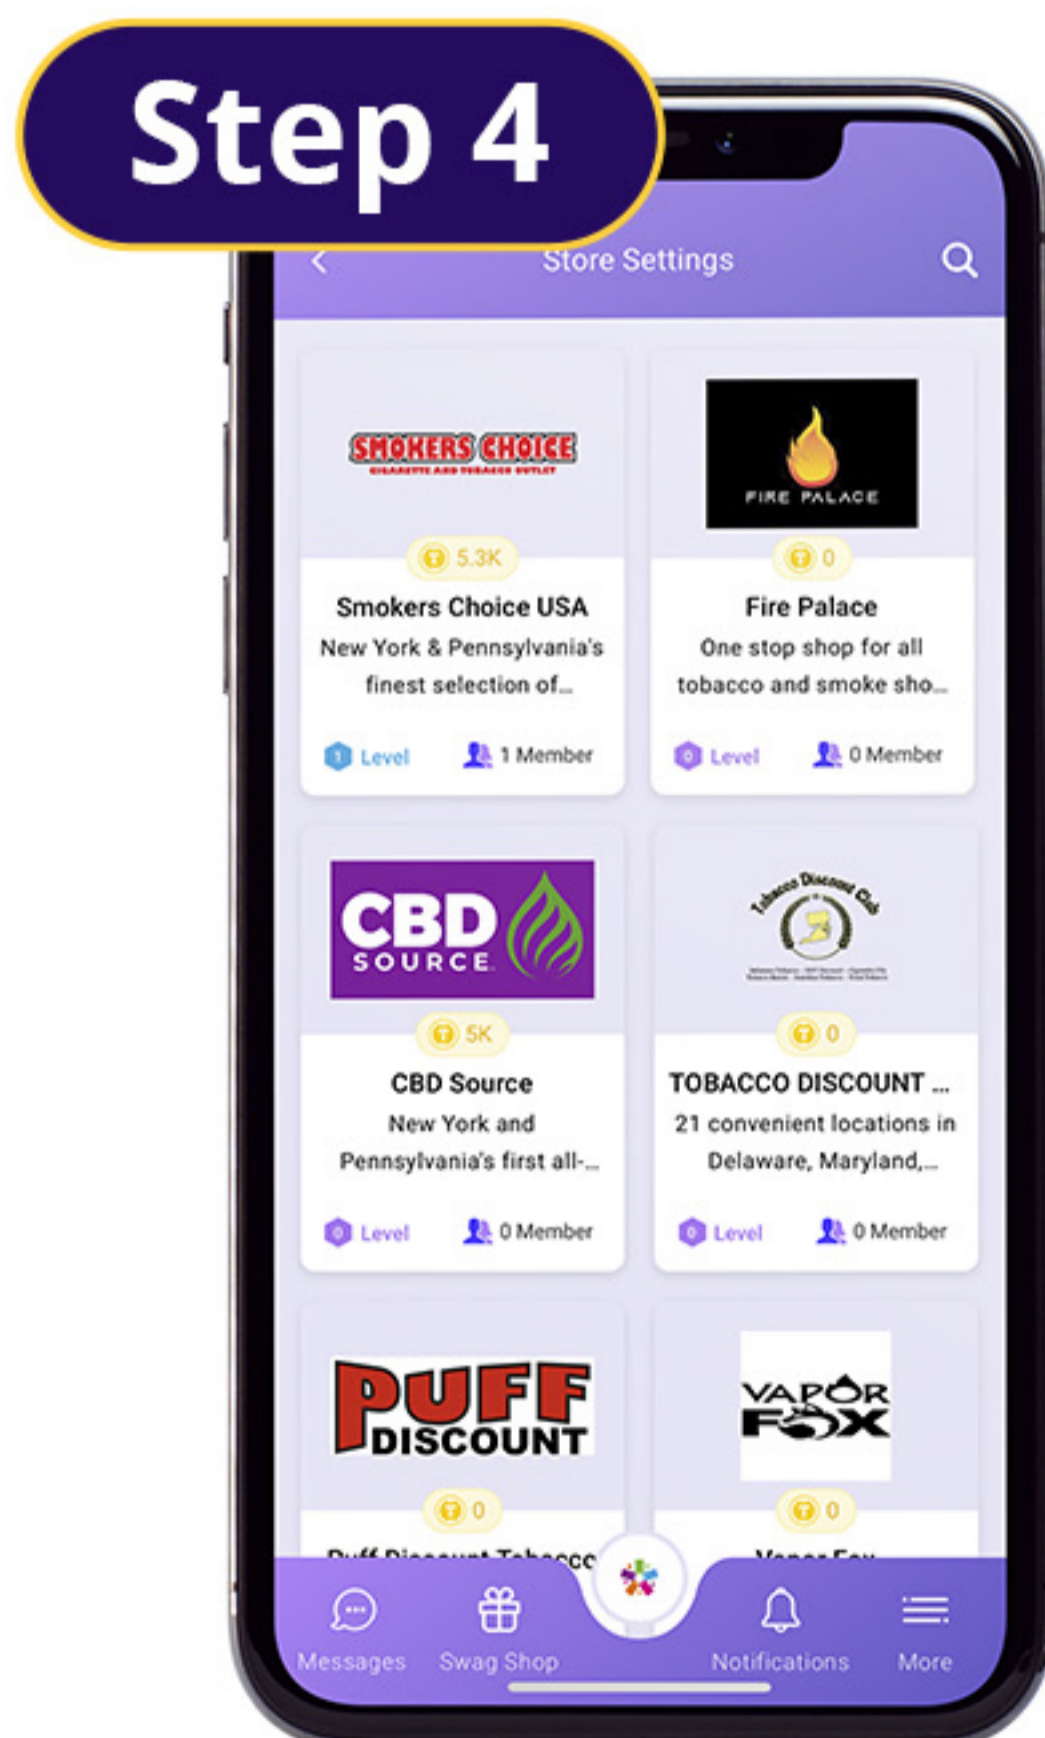

Open the Loyal-n-Save app & click on **more**.

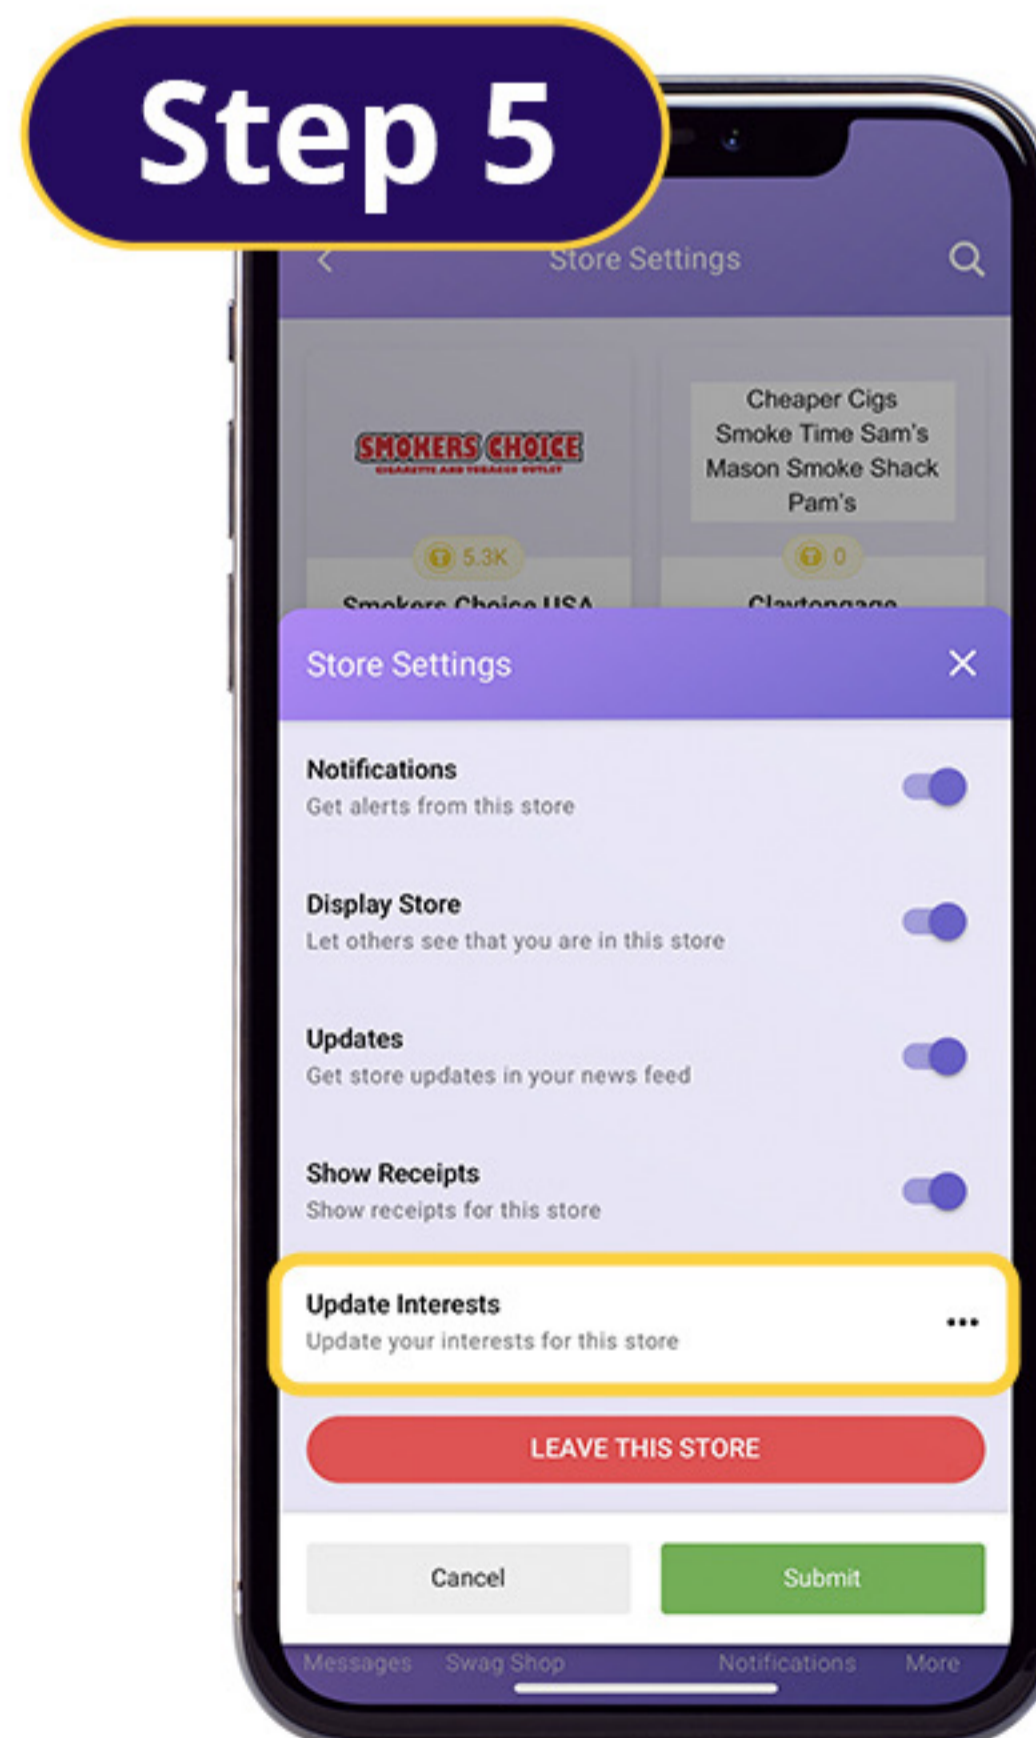

Click on the **settings** option.

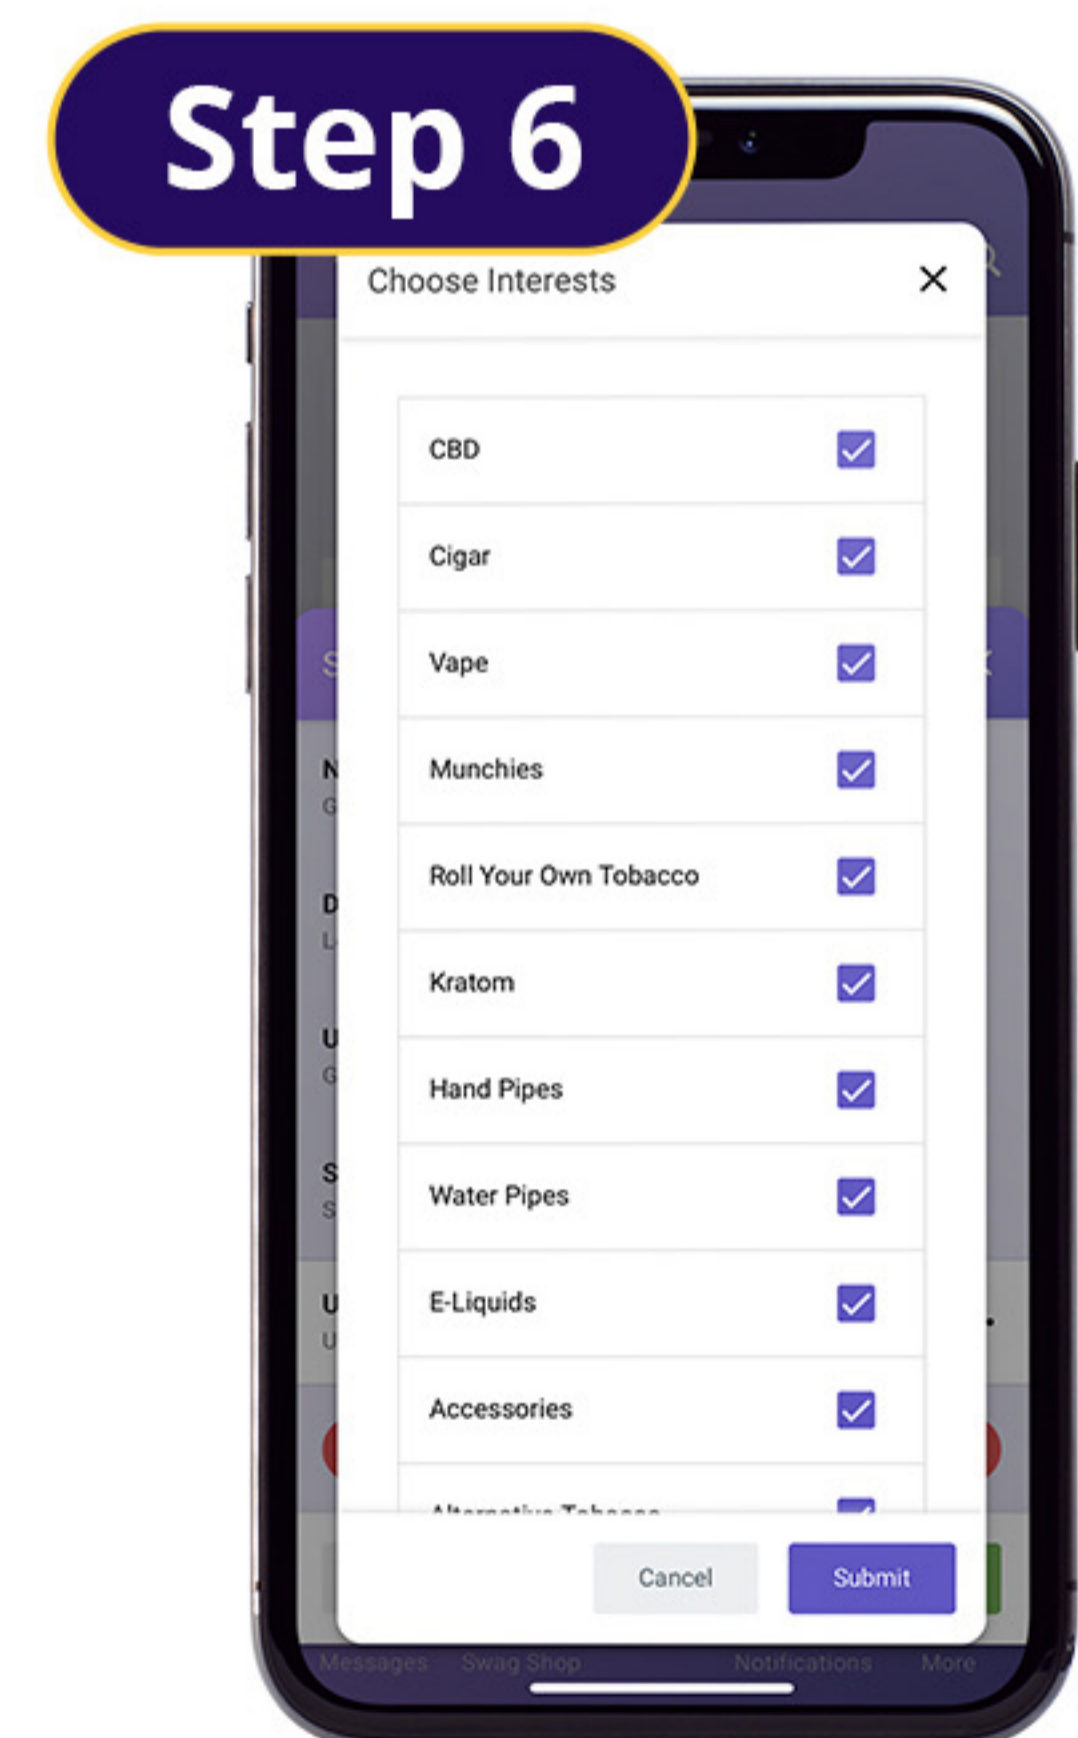

Click on **store settings**.

Choose the store that you want to adjust settings to.

Click on **update interests**.

**Check off** the store categories that interest you & click **submit**.
