

How To View Your Team Members For A Store Through The Loyal-n-Save App

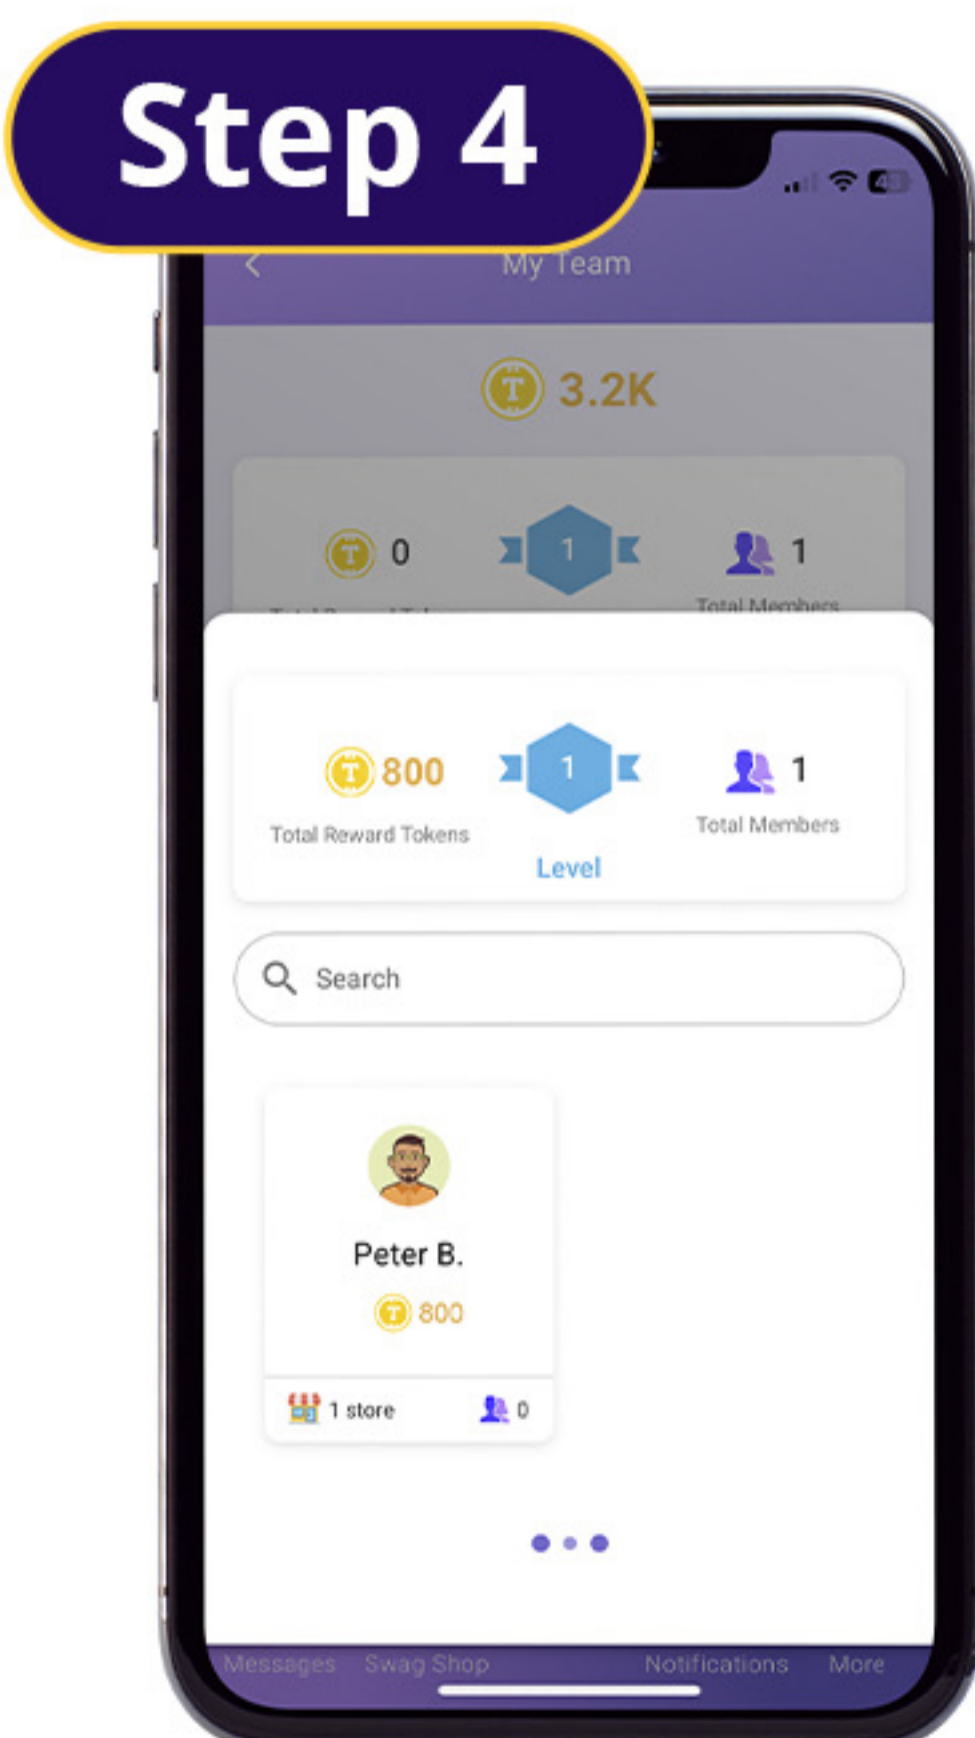

Open the Loyal-n-Save app & click on the appropriate retailer.

Click on **my team**.

Click on your preferred level
(you can have up to 5 tiers*)

View team members and how much they've earned you!

**The people you refer directly will be put in your first tier. When your first tier recruits friends of their own, those recruited members will become your second tier.*

When your second tier refers to their friends, those recruitments will become your third tier, and so on and so forth. All the way down to five tiers, you'll earn a percentage of everyone's reward tokens made at that particular store.*

**Percentages are determined by each individual store.*
